M/S RAIGANJ CONSUMER FORUM .... Petitioner

UNION OF INDIA & ORS. .... Respondents

REPLY ON BEHALF OF THE COMMITTEE-GFIL CONSTITUTED BY THE HON'BLE SUPREME COURT.

MOST RESPECTFULLY SHEWETH:

1. That the present application has been moved to allow the applicant to sell the properties of Golden Forest Group that too at 90% of the prevailing collector rates, as applicable on the date of execution and registration of sale deed.
2. That a careful perusal of the application suggests that some of the facts have been presented in a distorted manner to achieve personal gain. In para 2, it has been falsely stated that IA 134873 of 2022 has been preferred by the applicant seeking impleadment. The correct fact is that it has been filed by Aditiya Kumar Sinha allegedly on behalf of promoter shareholders of Golden Project Limited, Golden Forest India Limited

and its subsidiaries to highlight the anomalies and transgressions on the part of Income Tax Department while executing the mandate of this Hon'ble Court to sell the properties of Golden Forest Group. However, the applicant in that application no. 137873 of 2022 has neither filed any authority letter/ Power of attorney executed by any of the promoters/shareholders of Golden Forest India Limited or Golden Project Limited or any of its subsidiary companies in his favour nor has he disclosed as to how he is related to these companies and got authority to file this application. The Committee has filed its reply to that application also.

3. That it is pertinent to mention that the Golden Forests India Limited is a flagship company of a group of about 110 companies, societies and trusts which was promoted by a single family known as Syals consisting of R.K. Syal (DOB: 3.12.1951), his father Amrit Lal Syal (DOB: 12.11.1928), his wife Neena Syal (DOB: 20.6.1956), his sister Pamila Syal (DOB: 17.8.1955) and his brother in law H.K. Sinha (husband of Romila Syal), who is applicant in this application.

4. That the company Golden Forest India Limited was incorporated in 1987 with authorised capital of 10 lac equity shares of Rs. 10 each valued at Rs. One Crore. The issued, subscribed and paid up capital was only 30000 shares of Rs.10 each, amounting to total Rs.300000/-. The promoters of the company and the subscribers were Lamber Singh (7500 shares), Vinod Mahajan (7500 shares), Harbhajan Singh Padda (2500 shares),Neena Syal (2500 shares), A. L. Syal (2500 shares), H. K.

Sinha (2500 shares) Rajesh Syal (2500 shares) and R.K. Syal (2500 shares).

5. That as per last filed audit report (as on 30.9.2000) filed by Golden Forest India Limited with ROC, the directors of the company were R.K Syal, Neena Syal & K.S. Rawat and paid up capital was. 1,00,000 shares of Rs. 10/- each held by Neena Syal (18300), A.L.Syal (32500), R.K.Syal (4300), Pamila Syal (9400), Madhulika Syal (11900), Madhurima Syal (11200) and Nikhil Syal (12400).

It is worth noting that the audit report (as on 30.9.2000) filed by Golden Forest India Limited with ROC, also mentioned that the applicant H.K. Sinha and his wife Romila Sinha transferred their respective 2500 shares to Pamila Syal. Therefore, the applicant ceased to be shareholder of the company. As per the information available with the Committee, he was never appointed as director of any of the companies and was also not involved in business affairs of the companies. Copy of Audit report for the year 2000 showing transfer of shares by the applicant is annexed as **ANNEXURE R-1 (Pg 10 to Pg. 19)**

6. That the applicant has absolutely no locus to claim any vested rights in the management of the companies or its properties. Even the promoters/ directors had a very negligible and minuscule investment in the companies and evidently, all the properties were purchased with the deposits of lakhs of gullible investors who were cheated by the promoters as their promised returns were never paid back, with the result that SEBI had to initiate action against the defaulting companies. Despite having committed most egregious fraud, the applicant and

other promoters has the audacity to come to the Court and say that they be now allowed to repay the principal amount invested by the depositors 25/30 years ago, which would be an absolute farce and great injustice to the depositors, who lost their valuable and hard earned savings and were financially ruined. The applicant or the other surviving promoters of the companies cannot be allowed to unduly enrich themselves simply because the prices of the lands have inflated manifold over the years and the value of money has depreciated. Here one cannot be oblivious of the fact that some of the promoters/directors were prosecuted for having duped the depositors and were convicted also in case FIR Nos. 64, 65 & 66 dated 23.12.2000 registered with PS Punjab Vigilance Bureau Patiala under sections 420, 406, 467, 468, 471 & 120 B of IPC. That being so, the necessary implication is that the properties were acquired with sale proceeds of crime and as per the provisions of Prevention of Money Laundering Act, 2002, such properties are required to be attached and forfeited. Here it is further worthwhile to point out that in the states of Himachal Pradesh, Telangana and UT Chandigarh where properties are situated, the provision of Protection of Interest of Depositors Act are applicable and such properties are required to be attached and sold to repay the depositors as the attachment under the said legislation overrides any other charge or right which is to be treated as subservient to the statutory charge under the said legislation.

7. That it further needs to be brought to the notice of this Hon'ble Court that the companies never transacted any business generating revenue

other than collecting deposits from gullible investors offering attractive returns nor the companies made any real profits out of any legitimate business. Thus, the promoters, much less the applicant, have absolutely no locus standi to claim any right in the companies or the properties as he has never been a director in any company nor he holds any shares.

8. That the applicant alleges himself to be a promoter shareholder who invested only Rs.25000 i.e 2500 shares of Rs. 10 each and having already sold his share holdings, he cannot now claim any right in the properties which are worth crores of rupees and which were purchased with the money invested by lacs of poor investors who are still waiting for their money to be refunded even after a lapse of more than 25 years.

9. That Punjab Vigilance Bureau conducted investigations into the affairs of the company, registered FIR no's 64, 65 & 66 dated 23.12.2000 under sections 420, 406, 467, 468, 471 & 120 B of IPC against the applicant H.K. Sinha along with members of Syal family. The applicant along with other members of Syal family and some other persons were arrested on 23.12.2000.

The applicant filed an application before CJM Patiala in which he categorically stated that he was only a shareholder and that he was neither appointed director nor an office bearer of the company. He further stated in that application that he never had any responsibility in the company's affairs in any capacity. It was on that basis that he was discharged. Having taken the aforesaid stand before the criminal court to secure an order of discharge, the applicant cannot now be allowed to take a complete somersault to claim any beneficial interest in the affairs of the companies especially when after selling his total share holding of 2500 shares, as stated above, he is not left with any right, title or claim of any nature in the company. Copy of Order dated 17.09.2008 passed by CJM, Patiala is annexed as **ANNEXURE R-2 (Pg 20 to Pg. 23)**

Therefore in view of above it would not be out of place to say that he is only misleading the court and has no locus standi in the matter of Golden Forest India Limited and its group companies.

10. That the applicant is only taking advantage of the situation that the value of the properties has increased multifold. The motive of the applicant is clear to have undue gains from sale of properties of the companies by negotiation with private parties along with taking 2% as expenses like a property dealer does. This is totally unjustified and against the interest of lacs of investors.

11. That apart from this, the applicant is not even willing to sell the properties at market rate. He is seeking permission to sell even below the collector rate which is usually less than the actual market rate of the property and the market value of the property is always more that collector rates.

12. That another ridiculous proposal which has been made by the applicant is that he has questioned the valuation of properties of golden forest group which has been valued at about Rs.4882 crores by Income Tax Department. As per the applicant, the realistic value of all the properties of golden forest group would be around Rs.2800 crores and he should be allowed to sell it for Rs.2500 crores only as against Rs.4882 crores

evaluated by Income Tax Department. The valuation given by the applicant is only a hypothetical one without any basis. This proposal of the applicant is nothing but absolutely bizarre.

15. That the applicant is not having any investors readily available to pay fair value of the properties nor has he any proper mechanism to carry out sale/auctions of the properties of the defaulting companies. On the contrary, in pursuance of the orders of this Hon'ble Court, the properties would be sold through a proper and legal mechanism under the auspices of the Income Tax Department and an Advisory body like SBICAPS. This Hon'ble Court has directed Income Tax Department to conduct e-auction in a fair and transparent platform whereas the applicant is seeking permission to sell properties by private negotiations for which he is claiming expenses as well which would be highly impractical. In fact, by way of present application, the applicant is trying to substitute himself with the Income Tax Authority and SBICAP who are in process of being assigned with the duty of auction of properties by this Hon'ble Court.

16. Therefore, in view of the above stated facts and circumstances, the application deserves to be dismissed being baseless, vexatious in nature with special and exemplary costs.

3. I have heard the learned APP for the State and learned defence counsel and perused the judicial file.

4. There is document on record issued under Companies Act ~~and~~ and ~~Registration of~~ Resolution and agreements is also there on record showing that accused Pomila Syal was working as Managing Director of M/s Golden

ourist Resorts and Developer Limited and other accused are simply Directors of the company. The law has been settled by the Hon'ble High Court of Punjab & Haryana cited as **2002(1) RCR (Criminal) 210 (P&H)**, wherein it is held that all individual partners cannot be prosecuted and only Managing partner is liable for prosecution and conviction. Similar, is view taken by Hon'ble Supreme Court in **1997-(SC2)-GOX-1267-SC Ashim Kumar Roy Vs. Bipinbhai Vadilal Mehta and others,** wherein Hon'ble Supreme Court has laid down that ordinary Directors cannot be prosecuted. As per Section 5 of the Companies Act, it is the managing director or whole time director, who is responsible for the prosecution of criminal act of the Company and not ordinary directors. In this case, accused Pomila Syal is Managing Director and whole time officer, who is responsible for criminal acts of the Company. Similarly, Hon'ble Supreme Court has laid down the law in case State **of Haryana Vs.
